

1st Futsal Sudbury Invitational

Written by Administrator

Futsal Sudbury is pleased to announce a men's and youth tournament in November.

Registration is now open for two divisions; a U21 and below and a men's competition slated to take place at Cambrian College and other quality venues in the capital of Northern Ontario.

The tournament will take place on the weekend of the November 27-29th and will feature four divisions of eight teams. Cash prizes will be made available to top finishers and should be an excellent time for any futsal team.

Futsal Sudbury President and Futsal Canada member Mike Graham is excited at the prospect of hosting the first tournament in the city.

"We have grown the league very nicely over the years and know we will show everyone that comes to Sudbury a great time and event. We already have confirmations from across Ontario and with registration ending on November 1st we anticipate a solid turnout."
