

## New world class futsal court for Sudbury

Written by Administrator

---

Northern Ontario's largest futsal league and programs operator is back with a series of events including their adult and high school competitions as well as plans to build the newest dome that will feature the first international sized futsal court in the region.

League play will feature over 20 games per team and will take place on weekends at three gyms across Greater Sudbury throughout the winter/spring futsal season.

The new dome is a partnership between the Sudbury District Sports Club and the Conseil scolaire catholique du Nouvel-Ontario (CSCNO), the school board. The multi-sport facility will be placed at off of LaSalle Boulevard and Kathleen Street and will include an impressive full international size futsal court with all proper markings that was used at the 2015 Pan American Games for handball.

To play in an always exciting league click the [link here](#) to contact Jim Cress and the rest of the team at SDSC.

WE'RE READY TO  
**GET IN THE GAME**
